

FOR IMMEDIATE RELEASE:

Centre Wellington Business Directory Now Available!

The Centre Wellington Chamber of Commerce and the Township of Centre Wellington are pleased to announce that the 2010 Community Business Directory is printed. .

The directory includes community information and contacts as well as tab categories highlighting a variety of business types with useful information, maps of Centre Wellington, and a new category index.

This project was made possible by a Job Creation Partnership grant from the Ministry of Colleges, Training and Universities. The Chamber and the Township worked co-operatively on this project to ensure the best use of time and materials. The Chamber would like to thank all businesses who participated very much for their time to ensure that we had the most current and accurate information to complete this new directory.

Chamber of Commerce President Michael Weinstein notes that “the directory is a valuable resource when it comes to readily identifying local suppliers for a wide range of goods and services. It’s a great handbook for shopping locally.”

Business Directories have been hand delivered to the main business and industrial areas. If you are a local business listed and have yet to receive a directory, they are available for pick up at the Chamber Office, 400 Tower Street South in Fergus.

Additional directories are available for purchase for \$20 (incl. HST).
